Subject: **CERTIFICATE OF NON-COVERAGE FROM EMISSION
STANDARDS (CNCES) FOR E-VEHICLES (CNCES NO. EV-24-716)**

Dear **Mr. Alis**:

This refers to your e-mail dated 16 October 2024 requesting for the issuance of Certificate for Non-Coverage from Emission Standards (CNCES) for e-vehicles pursuant to Section 3 of BIR Revenue Regulation No. 24-2018 and Rule XXXI – “Emission Control for New Motor Vehicles” under DENR Administrative Order 2000-81 otherwise known as “Implementing Rules and Regulations of Republic Act 8749”. After review and evaluation of your submitted documents, we would like to inform you that the vehicle Brand: **LexBuild**, Model: **Lex-HS6606 (HQB6602UBEVH1)** is **PURELY ELECTRIC VEHICLE** and not required to comply with the emission standards.

In this regard, we hereby **GRANT** this Certificate of Non-Coverage from Emission Standards (**CNCES NO. EV-24-716**) that may be used in lieu of Certificate of Conformity (COC) requirement for new motor vehicles. However, an immediate inspection must be done by this Office upon arrival or availability of said unit in the country.

You may coordinate with the Air Quality Management Section (AQMS) of this Office through their Official Email: aqmsco@emb.gov.ph or you may call them at Tel No.: (02) 8539 4378 local 131 for the schedule of inspection. Failure to comply with the inspection requirement, misdeclaration or material omission in the CNCES application will automatically cause the revocation or suspension of this Certification.

Thank you.

Very truly yours,

JACQUELINE A. CAANCAN, CESO III
OIC-Assistant Secretary for Environment
and concurrent EMB Director

Date Inspected:
