Subject: **Application for Electric Vehicle (EV) Recognition**

Dear **Mr. Alis:**

This is in reference to the notice of application from LexSWITCH EcoMobility Inc. for EV recognition of its LexSWITCH Lex-HS6606 model as a Battery EV.

We have carefully reviewed and assessed the specifications of the LexSWITCH Lex-HS6606 model and found the same compliant to be recognized as EVs as provided in the Department Circular No. DC2023-05-0012 or the "Guidelines on the Electric Vehicle (EV) Recognition and Adoption of EV Standard Classification on Road Transport for Incentive Eligibility Pursuant to the Electric Vehicle Industry Development Act".

In view of the above, we will include the aforementioned vehicle in the DOE Recognized EV List and provide a copy of the updated EV list to the Department of Transportation for their information and reference.

Should you have further questions or clarifications, you may coordinate with the EUMB – Electric Vehicle Industry Management Division (EVIMD) through doe.evoffice@gmail.com or through telephone numbers (02) 8479-2900 local 406.

Thank you.

Very truly yours,

PATRICK T. AQUINO, CESO III
Director IV
